The estimates for the 20/100 and sleeves (offset) are
$13,000 for two 20/100
$24,500 for four 20/100

$13,000 for 2 sleeve items
$24,500 for four sleeve items

These are estimates only. Without knowing the graphics and the quality of the artwork, it is impossible to predict the prep work required or the cost.
